

Freestyle Libre 2 and 3 Sensor Discontinuation

Purpose of this communication:

- To notify contracted providers that Abbott will be replacing their Freestyle Libre 2 and 3 sensors with their new Freestyle Libre 2 Plus and 3 Plus sensors.

What do I need to know?

- **Effective September 30, 2025**, Abbott's Libre 2 and 3 sensors will be discontinued and replaced by their new Freestyle Libre 2 Plus and 3 Plus sensors.
- These new sensors will be compatible with their respective readers and apps.
- **New prescriptions may be required to switch over to the Freestyle Libre 2 Plus and 3 Plus sensors.**

What do I need to do?

- Providers should continue to follow the authorization and claims guidance found in the [Glucose Monitors and Supplies Resource Document](#).
- For any questions regarding this change, please refer to the [Freestyle FAQ](#).

Thank you in advance for your cooperation and continued partnership.
