

FDA Recall – Medline Industries

Purpose of this communication:

- We are writing to inform you effective immediately, the FDA has posted a Class I recall notice of Medline Industries recall on July 24, 2023 of their Hudson RCI Addipak Unit Dose Vial of .09% Full Normal Saline Solution, Lot # 3B085 distributed between April 20, 2023 and July 14, 2023 due to potential contamination and lack of sterility.

What do I need to do?

- Please review the following recall notice: https://www.fda.gov/medical-devices/medical-device-recalls/medline-industries-recalls-hudson-rci-addipak-unit-dose-vial-09-full-normal-saline-solution-due?utm_medium=email&utm_source=govdelivery
- Notify impacted patients and facilitate the replacement and/or resolution of the recall, according to the guidelines issued by the manufacturer in the FDA notification.
- Confirm if you have any CareCentrix patients affected by this recall and notify the CareCentrix Quality Department by faxing information to: 919-792-6718 Attn: Quality Department.

Thank you in advance for your cooperation and continued partnership.
