

**Purpose of this communication:**

To remind providers that links to health plan medical coverage policies are available through both the Provider Manual and the Medical Coverage Policies links on the Provider Portal: HomeBridge<sup>SM</sup> at [www.CareCentrixPortal.com](http://www.CareCentrixPortal.com) under the “For Providers” section.

CareCentrix use medical coverage policies when completing medical necessity reviews.

**What do I need to do?**

Health plans update medical coverage policies on a regular basis. Please reference these links to the health plan medical coverage policies frequently (at least monthly) to become aware of any updates.

**Thank you in advance for your cooperation and continued partnership. If you have any questions, please reach out to your assigned Network Management representative for assistance.**
